

2009 BOSTON PIZZA NASCAR SPRINT CUP POOL

Hello Everyone & Welcome back for 2009. Below there are 8 Categories with Sprint Cup Drivers in each of the Categories. You must pick 1 Sprint Cup Driver from each of the Categories below, so you will end up with a Team of 8 Sprint Cup Drivers, which will be your Team to start the 2009 NASCAR Sprint Cup Season.

The Drivers points will begin to tally from the Green flag being dropped at Budweiser Shoot-out until the checkered flag waves in Homestead on Week #36, Season Finale (November 22, 2009). 100 Bonus points will be awarded to the Driver who wins the Budweiser Shootout & the Sprint Cup All Star Race. The Driver who wins the Pole Position Award will receive 10 extra points. These points are monitored through NASCAR & Coor's Light. If NASCAR disqualifies the Driver's Pole Position for Rule Infractions (penalties, weather, etc). You will not be awarded with those Points, nor the new Driver who starts from that position, at the start of the Race.
